

Professor Brainstorm's KS3 Instant Science Order Form - 2020-21

Instant Science Packs

Professor Brainstorm's KS3 Instant Science Packs are designed specifically for students in Years 7 and 8 (S1 and S2). The packs contain **everything you need*** to perform a range of interesting, fun and unusual science investigations in the classroom - including:

- All essential equipment*
- Detailed notes for teachers**
- Worksheets for each experiment**

*You will need to provide a few standard classroom items (e.g. card, scissors, etc) and measuring equipment (such as rulers, weighing scales) - and for the Defying Gravity experiment you need to provide an empty crisp tube.

** Teacher notes and worksheets are supplied as photocopyable spiral-bound books. (In Class Packs they are also included on a CD-ROM as printable pdf files.)

Standard Packs usually contain enough equipment for just **one copy** of the experiment.

Class Packs contain enough equipment for a class of up to 30 pupils (working in small groups).
